

Jersey Post's Premium Postage Service

This guide shows the destinations to which customers can send mail items using the Premium Postage service, with the Premium Options available for each destination.

It's important to note that while this list shows the services available in each destination, Jersey relies on its postal network partners to provide the final element of the Signed-for and Tracked & Signed-for services and in some instances, there may be service failures beyond the Jersey Post's control.

Note: Tracked & Signed-for destinations that offer 'tracked-only' service and no signature on delivery are indicated by (T).
