

Letters to Santa

Christmas is just around the corner, and you know what that means—it's time to write your letters to Santa!

Jersey Post will help deliver your letter straight to Santa at the North Pole! That means your Christmas wish list will be on its way to Santa's workshop in no time.

Here's how to make sure your letter reaches Santa:

Write your letter – Tell Santa about any good deeds you've done this year and include your Christmas wish list.

Decorate it – Add drawings, stickers, or colors to make it extra special!

Address it – Write Santa's name on the envelope and don't forget your return address!

Drop it off – Have your parents take it to any Post Box on the island. Jersey Post will handle the rest.

Make sure to send your letter before December 13th, so Santa has plenty of time to prepare!

Santa can't wait to hear from you!
