

# Non-Executive Director, Chair of Audit & Risk Committee

**Jersey Post**   
Delivering for you

**This is an opportunity to join the Board of Jersey Post International Limited (JPIL) as a Non-Executive Director and Chair the Audit & Risk committee. The JPIL group has developed from being a traditional postal operation into a modern, postal, parcel delivery, freight, customs and fulfillment business.**

The Board is charged with providing appropriate and effective corporate governance, supporting and holding management to account, as well as contributing to the development and evolution of JPIL's future strategy. JPIL and its subsidiaries celebrate diversity and inclusion at all levels.

Candidates must be able to demonstrate the following qualifications, experience and capabilities:-

- A qualified accountant (ACA/ ACCA/ CIMA) with good knowledge of corporate governance, financial reporting and risk management.
- The ability and desire to learn quickly about JPIL's business and the range of sectors and the social political context within which it operates.
- Experience of operating at Board or near Board level within a commercial or similar organisation of comparable size and complexity.
- An ability to contribute as an effective Board member and committee chair providing an independent perspective and objectivity with an inclusive and collaborative approach to strategic decision-making.
- Excellent communication skills.
- A commitment to sustainability, diversity, equality and inclusion.
- Ordinarily resident in Jersey.

For an informal discussion on the role please contact Andrew Boustouler, Chief Operating Officer at [andrew.boustouler@jerseypost.com](mailto:andrew.boustouler@jerseypost.com).

To apply now please send a copy of your CV and a brief covering letter highlighting your relevant experience by **14th February 2025** to Aimie Tonsberg, Human Resources Director at [aimie.tonsberg@jerseypost.com](mailto:aimie.tonsberg@jerseypost.com).
